Career Objective

Backend-Focused Full-Stack Developer with 2+ years of hands-on software development experience across professional, freelance, academic, and personal projects, with professional backend development experience since 2025. Experienced in building REST APIs, backend services, distributed applications, and full-stack systems using **TypeScript, Node.js, and Express.js**. Hands-on experience with **PostgreSQL, MongoDB, MySQL, Redis, RabbitMQ, Docker, and Nginx**, including microservice and monorepo architectures, asynchronous processing, transaction management, concurrency control, background jobs, caching, third-party API integration, and production troubleshooting. Also experienced with **React, Next.js, React Native, Java, PHP, and Laravel**. Currently pursuing a **Bachelor of Management Information Systems at SETEC Institute**.

Personal Data

Gender:	Female
Date of birth:	24/01/2006
Marital status:	Single
Nationality:	<i>Cambodian</i>
Place of birth:	<i>Takeo Province, Cambodia.</i>

Education background

- Current Level of Education 2023 – Present: **SETEC Institute – Bachelor of Management Information Systems**
 - Completed High School 2019 – 2022: **Sok An Doung Khpous Bourei Cholsar**
- Other Trainings:**
- **Full Stack Web Development Scholarship (2024 – Present):** ISTAD – Full-stack development training covering React, Next.js, Java, PostgreSQL, Spring, Docker, Nginx, and Git.
 - **Web Development Scholarship:** ISTAD – Web development, responsive design, database integration, JavaScript, Java, and Git.
 - **Web Design Scholarship:** ISTAD – HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, Figma, and UI/UX design.
 - **C/C++ Programming:** ANT – Programming fundamentals, algorithms, data structures, and object-oriented programming.
 - **English Language Program:** PCU – English communication, writing, reading, and speaking skills.
 - **General Korean Program:** CKCC – Basic Korean communication, reading, writing, listening, and speaking.

Special Skill:

- **Backend & Software Development:** Experienced in developing REST APIs and backend services using TypeScript, Node.js, Express.js, Java, PHP, and Laravel, with knowledge of microservices and monorepo architectures.
- **Frontend & Mobile Development:** Experienced in developing web and mobile applications using React, Next.js, React Native, JavaScript, HTML, CSS, Tailwind CSS, and Bootstrap.
- **Database Management:** Experienced with PostgreSQL, MySQL, MongoDB, SQL Server, and Redis, including database design, queries, relationships, and caching.
- **System Architecture & Integration:** Experienced with REST APIs, microservices, monorepos, RabbitMQ, third-party API integration, and distributed services.
- **DevOps & Server Management:** Familiar with Docker, Nginx, Portainer, Git, CI/CD, and server deployment and maintenance.
- **Professional Skills:** Strong problem-solving, debugging, communication, teamwork, and collaboration skills.

Work Experiences

- **Junior Backend Developer / Everlast Information & Apps Dev Co., Ltd. 2025 – Present**
 - Design, develop, and maintain **REST APIs and backend services** using TypeScript, Node.js, and Express.js.
 - Contribute to production-oriented systems involving **omnichannel messaging, distributed services, and high-concurrency workflows**.
 - Work with **microservice and monorepo architectures** and asynchronous communication using RabbitMQ.
 - Implement background processing, transaction management, concurrency control, caching, and distributed service communication.
 - Design and maintain data workflows using **PostgreSQL, MongoDB, MySQL, and Redis**.
 - Integrate third-party APIs and external messaging platforms into backend services.
 - Work with **Docker, Nginx, Portainer, CI/CD, and Linux-based environments** for deployment and service management.
 - Participate in code reviews, testing, debugging, performance optimization, security improvements, and production troubleshooting.
 - Collaborate with developers and QA teams using **Git, Jira, and Jump Server-based environments**.
- **Freelance Web Designer & Full-Stack Developer / Self-Employed 2024 – Present**
 - Develop responsive web applications using **React.js, Tailwind CSS, and modern web technologies**.
 - Design user interfaces and responsive layouts based on project requirements.
 - Collaborate with clients and team members to deliver user-focused digital products.
 - Focus on clean implementation, usability, responsiveness, and maintainable code.

- **Work Study Student / ISTAD Scholarship & SETEC Institute 2024 – Present**
 - Completed progressive training and academic studies in **software development, programming, databases, UI/UX, networking, and information systems**.
 - Built practical and academic projects using **Java, C#, JavaScript, React, Next.js, Spring, PostgreSQL, HTML, CSS, Bootstrap, and Tailwind CSS**.
 - Applied **database design, API development, system analysis, responsive UI development, version control, and software development practices** through hands-on projects.
 - Gained practical experience with **Docker, Nginx, Git, and networking tools** through full-stack training and academic projects.
 - Collaborated with classmates and project teams to develop software solutions and complete technical assignments.
 - Developed skills in **problem solving, debugging, database management, system analysis, and technical documentation**.

Languages	Speaking	Writing	Reading
● <i>Khmer</i>	<i>Fluent</i>	<i>Fluent</i>	<i>Fluent</i>
● <i>English</i>	<i>Intermediate</i>	<i>Intermediate</i>	<i>Intermediate</i>
● <i>Korean</i>	<i>Basic</i>	<i>Basic</i>	<i>Basic</i>

Special Interest

- **Technology & Gadgets:** Interested in modern software technologies, DevOps practices, database optimization, and emerging technology trends.
- **Technical Content Creation:** Interested in creating animations, UI flows, and motion graphics to present technical concepts and system architectures.
- **Strategy Gaming:** Enjoy strategy games that develop logical thinking, problem-solving, decision-making, and teamwork.
- **Additional Strengths:** Problem Solving, Quick Learner, Teamwork, Adaptability, Communication, Continuous Learning.
